LPR Camera vs Regular Camera

Please Support Our Upcoming Initiatives

WE ARE APPEALING TO ALL RESIDENTS TO SUPPORT THIS EXTREMELY IMPORTANT INITIATIVE.

Crime is on the increase and our surrounding suburbs already have multiple LPR cameras installed. This is driving criminal activity into our area. You can help us achieve 24 hour proactive monitoring as well as promote real crime intelligence.

License plate recognition will provide SAPS, Neighbourhood Watches & Armed Responses with invaluable information which will:

- Alert on suspicious vehicles entering our suburbs
- Track movement within our suburbs
- Feed information into a National database improving overall intelligence
- REDUCE crime

What you can do to help achieve our first phase target of R 700 000

A donation from each household of R300.

PLEASE NOTE: this is indicative, we will accept any donation.

Staggered donations – Households can donate R50/100/150 per month for 3-6 months.
